**RESPONSE TO DECISION ON PETITION DATED JULY 29, 2009**

Applicants hereby submit a response to the Decision on Petition dated July 29, 2009. The two-month deadline for response is September 29, 2009. Applicants believe that this response is being timely filed. However, in the event that Applicants are incorrect, please charge any necessary fee to Deposit Account No. 23-2415, referencing Docket No. 34149-712.831. Applicants respectfully request reconsideration of the petition filed in this matter on June 2, 2009.

**REMARKS**

On June 3, 2009, Applicants submitted a Petition for Revival of an International Application for Patent Designating the U.S. Abandoned Unintentionally Under 37 CFR 1.137(b). On July 29, 2009, a Decision on Petition was mailed to Applicants. Applicants thank Examiner Dombroske for finding that the petition satisfies the requirements for Deposit Account authorization in the amount of \$810 and satisfactory statement of unintentional delay, and confirming that no terminal disclaimer is required. The Examiner's Decision on Petition indicates that the Petition for Revival has been denied based on an alteration of inventor Steven Masterson's mailing address on the declaration filed on June 3, 2009, which alteration was not initialed by Mr. Masterson at the time of filing.

Applicants herewith submit a newly-executed declaration by Mr. Masterson reflecting his correct mailing address with no alterations. Applicants further resubmit the declarations of the other inventors along with a copy of the Petition for Revival as originally submitted on June 3, 2009.

**CONCLUSION**

Applicants respectfully request reconsideration by the Examiner of the Petition for Revival. The Commissioner is authorized to charge any additional fees which may be required, including petition fees and extension of time fees, to Deposit Account No. 23-2415 (Docket No. 34149-712.831).

Should the Examiner have any questions, the Examiner is encouraged to contact the undersigned attorney at (858) 350-2300.

Respectfully submitted,

WILSON SONSINI GOODRICH & ROSATI

This collection is estimated to take 1.0 hour to complete, including gathering, preparing, and submitting the completed application form to the USPTO. Any comments on the amount of time you require to complete this form and/or suggestions for reducing this burden, should be sent to the Chief Information Officer, U.S. Patent and Trademark Office, U.S. Department of Commerce, P.O. Box 1450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Mail Stop PCT, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

4. Statement. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

**WARNING:**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.
